Anthony N. Donato

Business Analyst

Anthony N. Donato joined Keegan & Company as a Business Analyst in September 2004. In this capacity, Mr. Donato is active in case management, research, strategy, data analysis and support. He has been involved in a wide variety of marketing, intellectual property, and consumer behavior cases covering trademark, copyright, patent, best efforts, advertising, business damages, consumer surveys, business ethics, and other issues. With Dr. Warren J. Keegan, Mr. Donato is the co-author of an article on best efforts clauses that has been submitted for publication.

Prior to joining Keegan & Company, Mr. Donato worked at Harvard Medical School's Division on Addictions as a Research Assistant/Data Analyst. While at Harvard, Mr. Donato co-authored several research papers which have been published in peer-reviewed journals, including *Harvard Review of Psychiatry*; *Harm Reduction Journal*; *Journal of Gambling Studies*; and *Journal of TRAUMA[®] Injury, Infection, and Critical Care*. Mr. Donato was also a regular contributor to the *Weekly Addiction Gambling Education Report (WAGER)*, an electronic journal for scientists, clinicians and policymakers.

Mr. Donato holds a Master of Public Policy from Georgetown University (2002) and a Bachelor of Arts in Politics from Ursinus College (2000).
